LIVE STREAMING

ONCE a year the Prophecy Watchers gather together with thousands of our friends to celebrate the power of Bible prophecy and the soon return of Christ! Have you registered for this exciting event yet? In 2 short months, our fellow "prophecy watchers" will begin arriving from the 4 corners of the Earth to hear 32 world class speakers deliver their inspiring presentations. But there's another option available for those who can't travel to Norman, Oklahoma on October. It's a massive, Live Streaming extravaganza, featuring the main speakers from the conference, many who will be delivering their messages from the two main ballrooms. If you have access to the Internet, you can be a part of this amazing event through Live Streaming technology and enjoy most of the conference on your computer or big screen TV from the comfort of your own home! See and hear your old favorites like **Stearman, Marzulli, Koenig, Ice, Salus, Crone, Ben Gigi, Hitchcock** and **Woods**. This year they'll be joined by 11 newcomers including **David Reagan, Jan Markell, Ryan Pitterson, Don Perkins, Gary Frazier, Steve Dill, Richard Shaw, Doug Hershey, Larry Ollison** and the **Lipkin's**. Connect to the big event through your church, or invite 10 friends over to your home for a LIVE, front-row prophecy conference experience! Stream both rooms and get a \$20.00 discount! Come and join this one-of-a-kind event and you will be blessed!
